

The first item for discussion was the set of rules organized and put forward by Doug McCann for the Senior Men's League to provide continuity, fairness and aid in the pace of play in our regular morning golf sessions. The intention is to publish these rules on our website to provide clarity and accessibility to all Senior Members. President Lloyd will be enquiring to Club Pro Brad Pemberton as to more consistent staking (out of bounds and hazard) as they have been absent for regular play at the course this year.

President Lloyd has proposed a Closing Celebration and AGM for Monday, Sept. 28th with a 1 p.m. shotgun start. There will be a \$5.00 entry fee, prizes and trophies for the days first second and third teams as well as annual trophy presentations and prizes! In addition, we shall have Special Guests for the afternoon! It should be a very special day that none of you will want to miss!!!!

Art Rennick is organizing a Best Ball Tournament for Wednesday, Sept. 16th. It will be a Shotgun start and each team will require their members to have at least 1 drive each 9 holes! There will be NO GIMMEES and a \$5.00 entry fee.

Nominations for the 2021 Executive Team are now open as there are 3 vacancies with Art Rennick, Stu Henry and Noel Milner leaving the Executive Team. Special mention goes out to Stu for his many years of service as Treasurer!!!!
